

FRANK TOWLER

Frank Towler was educated in England, graduating with B.Sc. Mathematics, from Hull University, followed by a Diploma in Business Management, from the University of British Columbia, and certification as an Information Systems Professional.

He is recognized as a senior sales and marketing professional, who is particularly successful promoting complex, high value products and services, which leverage his strong creative marketing strategies. A combination of strong team building, leadership, motivation and communication skills, coupled with exceptional insight into emerging trends, issues, and the ability to leverage technology for his clients, is central to his success. He is also known for building worthwhile strategic relationships with partners and stakeholders that deliver strong win-win outcomes and leveraging those relationship to deliver added value for his clients.

Frank is active in his community both professionally and personally; Past President Canadian Information Processing Society, Past Director Peninsula Co-op, Director Wine Islands Growers Association, and competes extensively in Canada and the US at the Masters level in competitive road running, placing consistently as a regional top 10 runner with many medals awarded in significant races, including gold in Ohio and silver in Arizona and Texas.
